

Bonham Cajon  
FAQ (Frequently Asked Questions)

How much do they cost ?

*Our cajons are priced less than most commercial import brands. We quote each unit based on the level of customization.*

Can we order a custom cajon ?

*Yes, we encourage that.*

Can we submit our own graphics ?

*Yes, this is common.*

Do we offer a standard model ?

*Yes, check out our brochures tab on the website for our "Live Series".*

Do we keep current inventory ?

*Most of the time, this varies with our business level but we always try to keep some inventory on-hand to respond quickly to immediate needs.*

Can we ship it ?

*Yes, anywhere in the US or even internationally.*

Are the cajons a standard size ?

*Our cajons are approximately 12"x12"x19"H*

How long does it take to order a custom cajon ?

*Typical turnaround time for a custom model is 3-4 weeks.*

Can we pick-up the cajon to avoid shipping charges ?

*Yes.*

Are these string or snare cajons ?

*Snare cajons, we typically use 3 partial snares by PDP/DW (Drum Workshop).*

What type of woods are they made out of ?

*Birch ... but other woods are available.*

Where are the cajons manufactured ?

*Mooresville, North Carolina (Made in the USA).*

Do the cajons require any special maintenance ?

*Not really.... Just care for it much like you would a guitar or small piece of furniture.*

Do the cajons have slap corners ?

*Yes, and very good ones I must say.*

Does the cajon have just one playing side ?

*Nope, Bonham Cajons have TWO playing sides. Check out the Brochure and Pics Tabs.*
